Our speaker for the Women's Conference is Pastor George McDearmon. He has been a pastor at Ballston Lake Baptist Church since January 1977. His two Saturday sessions will be devoted to the presentation of a mosaic of a godly woman's character. This will involve setting forth selected virtues from various women who have been studied in his Portraits of Womanhood series preached throughout the years. We are excited about this topic because it applies to every single woman, regardless of her age or circumstances.

Mini Sessions

#1 LATTICE BRAIDS AND PRESSURE RELEASE

This will be a quick lesson in making a lattice top pie, braided Challah bread and how to put soup together in an Instant Pot.

#2 STRETCHING YOUR GROCERY BUDGET

Get ideas on how to shop the weekly sales, buy in bulk and meal plan to stretch your weekly grocery budget.

#3 GET THAT THING IN THE DRAWER

Can't close your dresser drawers? Learn some creative ways to fold, sort, store and purge those drawers for a neat and tidy look.

#4 TITUS 2 TIDBITS

Several of our ladies will share some principles that have been learned and used over the years to help us in our duties as women.
